

## Spiritually Informed Psychotherapy: Addressing the Domain of Spirituality in a Clinical Context

**Dr. John Dyben,**  
DHSc, MCAP, CMHP, LCDC, CCS  
Chief of Research and Innovation

**Pastor Lance Woodley,**  
Th.M, LSW, MSW, CGP  
Chaplain

**June 7-8 | 9 am - 4 pm, lunch included**  
**June 9 | 9 am - 12 pm**

**Hanley Resource Center, 933 45th Street, West Palm Beach**

This three-day symposium, designed for counseling and other health professionals, will provide the knowledge and skills to ethically address spiritual issues in a clinical context.

Hosted by Pastor Lance Woodley, Th.M, LSW, MSW, CGP, and Dr. John Dyben, DHSc, MCAP, CMHP, LCDC, CCS, this symposium is not only a valuable learning experience, but also offers significant benefits.

### Learning Objectives:

- Contextualize the domain of spirituality in clinical counseling
- Describe the concept of empowerment as an ethical obligation
- Define spirituality/spiritual concepts with cultural relevance
- Conduct a spiritual assessment in the clinical assessment process

Participants may elect to attend the first day only and will gain 6 CEUs.

For those who want to explore this topic in depth, the complete program will result in 18 CEUs and the opportunity to complete a Hanley Foundation Certification in Spiritually Informed Psychotherapy.
